# SOUTH ASIA'S PREMIER FRESH PRODUCE PLATFORM

**FRUIT LOGISTICA Connect India** is the regional expression of the world's premier fresh produce trade show. As part of the FRUIT LOGISTICA Connect series, the official regional family of events from FRUIT LOGISTICA, this event brings the expertise, standards, and convening power of the world's most trusted fresh produce platform directly to one of the most important agricultural markets on the planet.

**334m t**

fruit and vegetables grown,  
2024-25. Second-largest  
producer globally.

**\$1.8bn**

fruit and vegetables  
exports, 2024-25,  
and climbing

**1.4bn**

consumers, with modern  
retail and HoReCa  
scaling fast

Sources: Government of India, 2024-25 final estimates · APEDA, 2024-25 · USDA FAS, MY2025/26 forecast

India feeds over a billion people and grows more fruit and vegetables than almost any nation on earth and how that produce reaches consumers is being remade in real time.

**" The same standards.  
The same EXCELLENCE.  
A SHARPER regional focus."**
